EXPERIENCE

Willamette Student Investment Fund -- Atkinson Graduate School of Management

Salem, OR

Portfolio Analyst

August 2025 -- Present

- Co-managed a \$700K+ actively managed equity portfolio, generating alpha exceeding 300 bps above benchmark in each of two consecutive semesters
- Applied Fama-French three-factor and Carhart four-factor models to drive security selection and evaluate factor exposure across the portfolio
- Conducted systematic backtesting of quantitative strategies to assess signal persistence and refine portfolio construction decisions
- Presented performance attribution, risk analytics, and forward positioning to an external investor board on a recurring basis

Office of Economic Development -- Confederated Tribes of Grand Ronde

Grand Ronde, OR

Economic Development Analyst

May 2025 -- Present

- Modeled capital investment pathways across commercial real estate and infrastructure projects, producing scenario analyses and portfolio recommendations for executive leadership
- Built financial models for microgrid development projects, including cost-benefit analysis and capital structure scenarios used to evaluate project feasibility and guide funding decisions
- Supported due diligence processes by synthesizing data across legal, finance, and development divisions into structured investment committee materials
- Collaborated cross-functionally with directors and executives to develop long-range economic development strategy, translating quantitative analysis into clear narratives for senior stakeholders

Water & Education Care (WE Care)

Salem, OR

Strategy and Financial Consultant

Jan 2025 -- May 2025

- Redesigned funding models for a nonprofit infrastructure initiative, identifying new revenue streams and donor segments that grew the funding pipeline by 8%

- Built financial strategy and visual storytelling materials for investor outreach campaigns and in-person presentations, working within a team of 8 contributors
- Prepared pitch and proposal materials used to secure renewed commitments from existing funding partners

Spirit Mountain Casino

Kitchen Operations Manager / Sous Chef

Grand Ronde, OR

June 2020 -- Sept 2021

- Managed daily operations across three kitchens, including inventory tracking, labor scheduling, and cost controls in a high-volume environment
-
